Office Hours: Monday-Friday
7:00 A.M. to 3:00 P.M.

RESIDENTIAL GARBAGE SERVICE

Residential garbage is collected twice a week - either Monday and Thursday or Tuesday and Friday depending on the address. It is recommended that garbage be placed in plastic bags before putting it in the container. The container can be washed with soap and water. Please place refuse container at the curb after 7pm on the evening before collection. Return it no later than 7pm on collection day. Place the refuse container as close to the curb as possible with the handle facing away from the street and clear of any obstacles. Building materials, concrete, bricks, solvents, paint, ashes and hazardous waste should not be placed in the refuse container.

MISCELLANEOUS SERVICES

Household trash that is too large for the container will be picked up on Fridays. Please call 833-9655 before 3pm on Thursdays to schedule your bulk household pick up. Miscellaneous commercial debris is charged to the business at a minimum of \$15.00 and a maximum of \$120.00 per hour. Please call 833-9655 for estimated cost. Assistance with once a week garbage pick-up for special needs residents is available. Please call 833-9655 for a special needs application.

YARD WASTE

Yard waste is picked up once a week (Monday - Thursday) based on a City-wide schedule. To assist in the speed of collection, leaves, grass and pine straw should be placed in plastic bags. Trash cans are not acceptable. Tree trimming, bushes, etc. should be no longer than 4 feet in length or have a diameter greater than 4 inches. Such items should be piled neatly at the curbside. Do not place yard waste in the street. The City will pick up no more than 4 cubic yards of yard waste per week per household. Removal of larger amounts is subject to a charge.

COMMERCIAL GARBAGE SERVICE

Commercial garbage is scheduled per the customer's needs and the fee is based on the frequency and container size. All garbage generated at a business should be placed in the refuse container. Lock bars are available to commercial customers for an additional \$10.00 a month. For information about commercial recycling, please call 833-9655

HOLIDAY SERVICES

The City of Fort Walton Beach observes the following holidays during the year:

- **New Year's Day**
- **Martin Luther King Jr. Day**
- **Memorial Day**
- **4th of July**
- **Labor Day**
- **Veteran's Day**
- **Thanksgiving Day and the Day after Thanksgiving**
- **Christmas Eve and Christmas Day**

If the holiday falls on a Saturday, it is observed on the Friday prior; if the holiday falls on a Sunday, it is observed on the Monday after.

On New Year's Day, Thanksgiving Day and Christmas Day, there are no solid waste services (Commercial, Residential Garbage or Yard Waste). For all other holidays, commercial and residential garbage service is provided, but there is no yard waste service. Customers who normally have service on the holiday will have their waste picked up on their NEXT scheduled pick up day.

Due to extra bulk associated with the Christmas holiday. Solid Waste crews will make additional neighborhood sweeps during the week of Christmas. Put all holiday boxes and related items out on your yard trash day the week after Christmas.
