**1.8 PUBLIC ENTITY CRIME FORM – ITB 16-022 (2 PAGES)****SWORN STATEMENT UNDER SECTION 287.133 (3) (A) FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES**

**THIS FORM MUST BE SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.**

This sworn statement is submitted with Bid, Proposal or Contract # ITB 16-022.

This sworn statement is submitted by \_\_\_\_\_, whose business address is \_\_\_\_\_ and (if applicable) Federal Employer Identification Number (FEIN) is \_\_\_\_\_. (If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement).

My name is \_\_\_\_\_ and my relationship to the entity named above is \_\_\_\_\_.

I understand that a "public entity crime" as defined in Paragraph 287.133(a)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any proposal or contract for goods or services to be provided to any public entity or any agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

I understand that "convicted" or "conviction" as defined in paragraph 287.133(a)(b), Florida Statutes, means finding of guilt or a conviction of a public entity crime with or without an adjudication of guilt, in any federal or state trial court of records relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

- A predecessor or successor of a person convicted of a public entity crime (or)
- An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one of shares constituting a controlling income among persons when not for fair interest in another person, or a pooling of equipment or income among persons when not for fair market value under a length agreement, shall be a prima facie case that one person controls another person. A person who was knowingly convicted of a public entity crime, in Florida during the preceding 36 months shall be considered an affiliate.

I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of the state or of the United States with the legal power to enter into a binding contract for provision of goods or services let by a public entity, or

which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies.)

\_\_\_\_\_ Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity, nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

\_\_\_\_\_ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the entity or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. (Please attach a copy of the final order.)

\_\_\_\_\_ The person or affiliate was placed on the convicted vendor list. There has been a subsequent proceeding before a hearing officer of the State of Florida, Division of Administrative Hearings. The final order entered by the hearing officer determined that it was in public interest to remove the person or affiliate from the convicted vendor list. (Please attach a copy of the final order)

\_\_\_\_\_ The person or affiliate has not been placed on the convicted vendor list. (Please describe any action taken by, or pending with, the Department of General Services.)

## SECTION 2 - GENERAL CONDITIONS

2.1 **EXECUTION OF BID:** Bid must contain a manual signature of an authorized representative in the space provided. Florida law requires that when a municipality enters into a contractual agreement with a corporation licensed to do business in the State of Florida, such agreement shall be signed by two (2) Corporate Officials (i.e., President, Vice President, Secretary, Treasurer) with the corporate seal affixed. It is also required that such execution be acknowledged before a Notary Public with Notary Seal affixed. If neither the aforementioned corporate officers nor the corporate seal are readily available, a letter of authorization can be submitted in lieu of these requirements. Such letter of authorization must be on the corporate stationery, must clearly state that the person who signed the referenced agreement is duly authorized to enter into such agreement on behalf of the corporation and must be signed by the corporate officials designated above. Failure to submit letter of authorization within two (2) weeks after notification of award may result in award to the next apparent low bidder.

2.1.1 In the case of a partnership, the agreement must be signed by a general or managing partner and notarized as outlined above.

2.1.2 In the case of a sole proprietorship, the owner must sign the agreement and have such execution notarized.

2.1.3 If you have any questions regarding the execution of the signature page, please feel free to contact the Purchasing Division at (850) 833-9523 for further clarification.

2.2 **SUBMITTAL OF BIDS:** Bids shall be submitted utilizing the bid form(s) provided by the City. All bids shall be properly executed with all blank spaces filled in. The signatures of all persons signing shall be in longhand. Erasures, interlineations, or other corrections shall be authenticated by affixing in the margin immediately opposite the correction the initials of a person signing the bid. If the unit price and the total amount named by a bidder for any item are not in agreement the unit price alone shall be considered as representing the bidder's intention, and the totals shall be corrected.

2.3 **AMENDMENT OF THE INVITATION TO BID:** It is the bidder's responsibility to contact the Purchasing Department prior to submitting a bid to ascertain if any addenda have been issued, to obtain all such addenda, and return executed addenda with the bid (or complete and sign addenda acknowledgement form.) The failure of a bidder to submit acknowledgment of any addenda that affects the bid price(s), is considered a major irregularity and will be cause for rejection of the bid.

2.4 **BIDDER'S CERTIFICATION FORM:** Each bidder shall complete the "bidder's certification" form included with this invitation to bid, and submit the form with the bid. The failure of a bidder to submit this document will be cause for rejection of the bid.

2.5 **SPECIFICATIONS REQUIRED:** All items quoted must be in compliance with the specifications. If you are taking exception, indicate those exceptions on company letterhead and attach to this invitation to bid.

2.6 **ALTERNATIVES/SUBSTITUTIONS TO SPECIFICATIONS:** Any alternatives or substitutions to the attached specifications must be clearly delineated, set out and submitted with the bid (use separate sheets of paper and make them part of the bid).

2.7 **PRICES, TERMS, and PAYMENT:** All prices must be firm for the delivery schedule quoted in the specifications. Bids stipulating "Price in effect at time of shipment" or other similar conditions will be considered not responsive to the bid invitation and will not be accepted. All prices shall be quoted F.O.B. delivered to any City of Fort Walton Beach department unless otherwise stipulated in the bid invitation. Bidder is requested to offer cash discount for prompt invoice payment. It is the policy of the City of Fort Walton Beach to make payments of invoices in time to earn any offered cash discounts. Discount time will be computed from the date of satisfactory delivery at place of acceptance or from receipt of correct invoice at the Finance Department office, whichever is later.

## 2.8 **TRADE NAMES**

2.8.1 In cases where an item is identified by a manufacturer's name, trade name, catalog number, or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "EQUAL" unless the proposed "EQUAL" is definitely indicated therein by the bidder.

2.8.2 The reference to a name brand is intended to be descriptive but not restrictive and only to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered provided each bidder clearly states in his bid or proposal exactly what he proposes to furnish and forwards with his bid a cut illustration or other descriptive matter which will clearly indicate the character of the article covered by his bid.

2.8.3 The City hereby reserves the right to approve as an equal, or to reject as not being equal, any article the bidder proposes to furnish which contains major or minor variations from the specification requirements but may comply substantially therewith.

2.8.4 If no particular brand, model, or make is specified and if no data is required to be submitted with the bid, a bidder may be required to submit working drawings or sufficient detailed descriptive data to enable the City to determine if such specification requirements are met.

2.9 **DISCOUNTS:** Bidders may offer a cash discount for prompt payment; however, such discounts shall not be considered in determining the lowest net cost for bid evaluation purposes. Discount will be computed from the date of satisfactory delivery at place of acceptance or from receipt of correct invoice at the office specified, whichever is later. Bidders are encouraged to reflect cash discounts in the unit prices bid.

2.10 **EFFECTIVE PERIOD:** Prices quoted in the bid must remain open for a period of ninety (90) days from the date of bid opening.

## 2.11 **QUESTIONS REGARDING SPECIFICATIONS OR BIDDING PROCESS:**

2.11.1 Respondents are advised that from the date of release of this solicitation until award of the contract, **no contact with City personnel related to this solicitation is permitted. All communications are to be directed to the Purchasing Representative and sole contact listed below in section 2.11.4.**

2.11.2 Any questions related to interpretation of specifications or the bid process shall be addressed to the Purchasing Manager, in writing, in ample time before the period set for the receipt and opening of bids. No inquiries, if received within ten (10) days of the date set for the receipt of bids, will be given any consideration. Any interpretation made to prospective bidders will be expressed in the form of an addendum to the specifications which, if issued, will be conveyed to all prospective bidders no later than five (5) days before the date set for receipt of bids. Oral answers will not be authoritative.

2.11.3 It will be the responsibility of the bidder to contact the Purchasing Division prior to submitting a bid to ascertain if any addenda have been issued, to obtain all such addenda, and return executed addenda with the bid.

To qualify as a respondent, bidder must submit a "BID" or "NO BID" and it must be received no later than the stated bid opening date and time. Repeated failure to bid without sufficient justification shall be cause for removal of the supplier's name from the bid list.

2.16 **BID OPENING:** The bid opening shall be public, on the date and at the time specified on the bid form. 2.17 **AWARD OR REJECTION OF BIDS:** The contract will be awarded to the lowest responsive and responsible bidder(s) complying with all the provisions of the Invitation to Bid, provided the bid price is reasonable, and it is in the interest of the City to accept it.

2.17.1 The City of Fort Walton Beach reserves the right to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the City. The City of Fort Walton Beach also reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete, on time, contracts of a similar nature, or a bid of a bidder who an investigation shows is not in a position to perform the contract.

2.17.2 Award will be made in approximately ninety (90) days. It is incumbent on bidders to contact the Purchasing Department at (850) 833-9523 to determine the successful bidder(s). 2.17.3 In the best interest of the City, the right is reserved to make award(s) by individual items, group of items, all or none, or a combination thereof, with one or more suppliers; to reject any and all bids, or to waive any informality or technicality in bids received.

2.18 **SELECTION / REJECTION OF OPTIONS / ALTERNATIVES:** If an invitation to bid permits options or alternatives, the City reserves the right to select or reject any or all options or alternatives that are bid and as deemed to be in the best interests of the City.

2.19 **PUBLIC ENTITY CRIMES:** A person or affiliate, as defined in § 287.133, Florida Statutes, who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in § 287.01, Florida Statutes, for Category Two, for a period of 36 months from the date of being placed on the convicted vendor list.
