DO NOT CUT TREES OR PUT DEBRIS ROADSIDE WHEN CITY IS UNDER TROPICAL OR HURRICANE WATCHES

City Ordinance 10.80.05 prohibits cutting trees and placing debris by the road when we are under a tropical storm/hurricane watch or warning. Fines will be levied for violation of 10.80.05

DO NOT PUT YARD DEBRIS ANYWHERE NEAR THE STORM DRAINS

PLAN BEFORE THE STORM IS HERE:

1. EVACUATION ROUTE
2. TO GO BAGS/SUPPLIES
3. SECURE YOUR PROPERTY

DIVISION OF EMERGENCY MANAGEMENT

IF YOU DO NOT EVACUATE

- * Call a relative and let them know you are staying * Fill all of your prescriptions * Store enough food & water for 7 days
- * Buy pet food and supplies for a month * Put together activities for the kids * Fill up your vehicles and lawn equipment
- * Get batteries for flashlights * Check your generator * Buy and safely store extra fuel * Charge your cell phone
- * Charge up your electronics * Check on your neighbors * Gather insurance information and important documents
- * Take photos of your property & vehicles * Acquire cash, banks could be down * Board up your property
- * Cooking on the grill could be a necessity, grab supplies * Fill your tub with water for bathing and flushing toilets
- * Get mosquito repellent * Get a First Aid kit
